

## **Wild Animal Racing becomes the Next Indy 500 of games**

Wild Animal Racing is the new hot and popular racing game that's blown the market, the hit single came out on all platforms in early March of 2016. The game has become such a hit success it has prompted for a sequel that came out in late August of 2018, the game Wild Animal Sports Day hit the market in a storm and has become the most bought game after Wild Animal Racing. Game Review magazine says- "The Wild Animal games have become a staple in today's youth and without them we surely would be lost."
